GOOD FUCKING BOURBON

WHISKEY

SMALL BATCH

Hand fucking crafted of a sweet mash of 70% corn and 30% wheat, our bourbon is distilled slowly in an authentic copper pot still. Aged 4 years, it's non chill-filtered to maintain deep flavors and a velvety mouthfeel.

Aromas of fresh bread and toffee, with traces of butterscotch lead to traditional flavors of caramel and honey, topped off by a long and gentle finish.

ULTRA SMOOTH.
Like really, fucking smooth.

PROFESSIONAL DESCRIPTION

Good Fucking Bourbon is a small batch straight bourbon whiskey crafted with quality ingredients and aged 4 years in charred new American oak barrels. Hand fucking crafted and distilled slowly in an authentic copper pot still, it's non chill-filtered to deliver deep flavor and a velvety mouthfeel. Bold, smooth, and unapologetically good. It's bourbon the way it should be.
