

MALBEC - ESTATE

Composition: 100% Malbec

Vineyards: Finca Alcuchú Estate vineyard, 15 years old vines. Maipú. Mendoza

Level: 800 meters above the sea level.

Main characteristics:

Intense ruby-purple color, characteristic of Malbec Aymara.

This wine has aromas of ripe black fruits. In the mouth, it is full bodied, dry, with supple tannins and well balanced.

It has nice finish with hints of plum and cocoa.

Winemaking process:

Manual harvesting

Cold maceration for 2 days in stainless steel fermentation tanks using native yeast. Malolactic fermentation

Bottling and lay down in a temperature controlled cave.

Technical information

Alcohol: 14 %.

Wine pairing:

Goes very well with beef, tomato based paste dishes and sharp cheeses. Enjoy now or lay down for one to four years.

Ideal drinking temperature: 18° C.
