

DOMAINE GIRAULT

AOP Sancerre Rosé

Le Grand Moulin

Color : Rosé | Grapes : 100% Pinot Noir

ORIGIN

A family-owned estate in Bué, at the heart of Sancerre in the Loire Valley. The Girault family has cultivated its vineyards for generations using sustainable agriculture. Cool-climate Pinot Noir produces elegant, crisp rosés that express the character of the region.

TASTING NOTES

Pale pastel pink with brilliant clarity. Expressive aromas of wild strawberries, tart red cherries, white peach, and fresh rose petals. Lively red-fruit acidity meets a pleasing roundness on the mid-palate, leading to a clean, zesty finish with chalky, flinty minerality.

WINEMAKING

Direct pressing or short skin-contact maceration, followed by temperature-controlled stainless steel fermentation to preserve fresh fruit aromas. Soils: clay-silica and Oxfordian chalky limestone (Caillottes). Alcohol: typically 12.5% - 13.5%, depending on vintage.

FOOD PAIRINGS

Summer salads, raw tomatoes, grilled asparagus, charcuterie, cold cuts, grilled poultry, light barbecues, and mildly spiced international dishes.
