ORIGIN

J.M Aujoux is the specialist in “Beaujolais-Mâconnais” wines.

-Fuisse is the name of a village in the Mâconnais producing highly distinctive Chardonnay wine. The vineyards producing this wine are part of an exceptional landscape where the limestone and heavy clay soils combine to create a unique terroir.

TASTING NOTES

The nose is delicately mineral with a bouquet of white fruits (peaches). The texture is opulent, and the structure, thanks partly to the wine's natural richness, is full of flavor. It is by nature delicate and distinguished.

WINEMAKING

Alcoholic fermentation at temperature controlled 60 to 64°F, to preserve the aromatic potential of wines, malolactic fermentation done for 50% of the cuvee, aged for 5 months in stainless steel vats before bottling.
