

CABERNET SAUVIGNON - ESTATE

Composition: 100% Cabernet Sauvignon

Vineyards: Finca Alcuchú Estate vineyard, 15 years old vines. Maipú. Mendoza

Level: 800 meters above the sea level.

Main characteristics:

Of splendid deep ruby color, Aymara Cabernet Sauvignon has aromas of cedar and spice. In the mouth, it is medium bodied with rich soft layers of plum, black currant and spices. It combines the freshness of fruit. Good concentration and the right amount of oak. It is well balanced with elegant tannins and a pleasant and persistent finish.

Winemaking process:

Manual harvesting

Cold maceration for 2 days in stainless steel fermentation tanks using native yeast.

Malolactic fermentation

Bottling and lay down in a temperature controlled cave.

Technical information Alcohol: 14.0 gl.

Wine pairing:

Goes very well with beef, tomato based paste dishes and sharp cheeses. Enjoy now or lay down for one to four years.

Ideal drinking temperature: 18° C.
