ADULT-USE PRODUCTS | CONSUME RESPONSIBLY

5MG THC SELTZERS

Four bright, fruit-forward flavors

Bright Berry

5MG THC SELTZER

Juicy mixed berries with refreshing sweetness and a bright, tart finish.

Tropical Mango

5MG THC SELTZER

Ripe mango, tropical sweetness and a clean sparkling finish.

Juicy Watermelon

5MG THC SELTZER

Watermelon-forward freshness with juicy sweetness and a crisp finish.

Squeeze of Lime

5MG THC SELTZER

Bright lime citrus with zesty acidity and lightly sweet sparkle.

10MG THC SELTZERS

Four bold, vibrant flavors

Passion Fruit

10MG THC SELTZER

Tropical passion fruit sweetness with a lively citrus accent.

Blood Orange

10MG THC SELTZER

Bold, juicy blood orange with refreshing bittersweet citrus.

Pink Lemonade

10MG THC SELTZER

Tangy lemonade notes with a sweet, refreshing citrus finish.

Blueberry Açaí

10MG THC SELTZER

Rich blueberry and açai berry character with a smooth fruit finish.

ZERO-PROOF MIXING OPTION

CANNABIS SPIRIT

Blood Orange Vanilla | 750ML bottle

BLOOD ORANGE VANILLA

167MG THC / 750ML

A zero-proof cannabis spirit with notes of blood orange, warm vanilla and a pronounced botanical hemp character.

PER 1.5 OZ SERVING

10MG THC + 2MG CBD

Designed for measured pours and non-alcoholic cocktail mixing. Start low; individual effects and onset vary.
