

The DD Project is different. Our goal is simple, to create world class wine with purpose. That purpose is to make the world a better place and to drink delicious wine while we do it. The DD Project was created in loving memory of the founders mother, Diane Rizzo (Dickerson) co-founder of the Capriotti's Sandwich Franchise, whose trailblazing entrepreneurial spirit is the North Star for all we do.

The DD Project and Elena Delle Donne collaboration is different. Elena shares a deep passion for high quality wine and this red blend was hand selected by Elena to serve as her second signature wine. All proceeds from the sale of this wine will go to support the DD Entrepreneurial Foundation and benefit female entrepreneurial and educational initiatives in the state of Delaware and beyond.

TASTING NOTES

The site where the grapes are grown has rich loam and clay soils that hold water late into the growing season so they are typically dry farmed.

The flavor profile is bright with mostly red fruits and lively tones from these grapes. The texture is silky and rich with very nice weight on the palate. The aromas are black cherry, plum, and currant mingled with some vanilla, tobacco, and white pepper notes. The mid palate flavors are blueberry, cedar, clove, and cherry. The finish is smooth and long with notes of blackberry, graphite or cedar, espresso, and chocolate.
